Attention Bio Concentrators!

What: Liaisons needed between individual houses and the department!
Who: Juniors or active sophomores
When: 1 year commitment
How: Email Linda (wbi@fas)

The Biology Undergraduate Office is seeking student liaisons in each of the undergraduate houses in an effort to increase communication between students and the Biology Undergraduate Office. Volunteers will act as liaisons between the Biology Undergraduate Office and their respective houses. The liaisons will meet with the Biology Undergraduate Office on a regular basis to discuss issues of importance to their respective houses. Volunteers will also be available to answer any questions that their peers may have about their concentration! Become active, plan events for your biology peers. Any ideas or concentrators are welcome!

Mozey on Over

Be an SAT Tutor with Get Ready!

Remember the whole college admissions process? Have you since learned things that you wish you’d known then? Do you want to share that knowledge with a community of motivated high-schoolers? Get Ready! Offers free SAT prep and college advising to urban high school students in Boston and is currently looking for volunteers to teach either VERBAL or MATH for our summer program. Volunteers teach one evening a week, so it is ideal for students who have full-time jobs or are taking summer classes. Volunteers also serve as mentors to our students to prepare them for the college admissions process. Info sessions are in Loker 029 on Tuesday, May 8 at 7 p.m. and on Wednesday, May 9 at 9 p.m. If you are interested but can’t make it or have further questions, please contact Kathy (kjo@fas).
