Around the House

ROOM PICKS
Just a reminder to rising Juniors and Seniors that room picking will take place this Monday and Tuesday in the House Office (F-5). Seniors pick their rooms on Monday (April 10), Junior-Seniors and Juniors pick their rooms on Tuesday (April 11).
All rising Juniors and Seniors should have already received notification of appointment times. All questions regarding rooming for next year should be addressed immediately to David Woodberry (woodberr@fas).

HOUSE COMMITTEE
HoCo is working hard to provide you with fun, fun, and even more fun. For each of the remaining Saturdays in April, HoCo will have barbecues so that you can enjoy the sunny weather with your friends. Bring out the shorts and the sun tan lotion. Play catch or volleyball! (HoCo’s even working on getting new sand for the volleyball court.) Due to popular demand, HoCo will soon bring you Roll ‘N Rock II. Keep an eye out for it.
Also coming up soon: a house outing to see the Red Sox in action.

**SOCCER**

Soccer lost its first game against Lowell 2-1, a tightly contested game that ended in the closing minutes when Lowell scored off a penalty kick from an accidental handball. The team bounced back, however, with a Saturday morning win against Currier. The next game will be on Wednesday at 3:30 PM against Winthrop and Friday at 3 PM against Dudley. For more information, contact Javi (sobrado@fas).

**SOFTBALL**

Softball lost a hard-fought game after overcoming opening day jitters, but is looking to regulate on Thursday at 3:30 PM. Contact Charlie (ckeyes@fas) for more information about Leverett Softball.

**VOLLEYBALL**

B-league volleyball lost a heartbreakingly tight 3-setter against Winthrop, but will definitely spank the next opposing team on Tuesday at 9 PM in the QRAC. The next games for A-league are Monday 7 PM and Wednesday 8 PM in the Mac.

Get involved in Leverett House IntraMurals! Contact Neeraj Gupta (gupta@fas) for more information on how you can help Leverett IMs.

**Did you know?**

Leverett has a history of Intramural excellence. Before Cabot established its present dynasty, Leverett dominated the Harvard IM scene. Indeed, from the late 80s to the mid-90s, Leverett House teams struck fear in the hearts of their opponents with their skill, tenacity and fierce competitive spirit. The house reigned supreme among all other river houses and was rivaled only by Cabot House in the Quad. The golden era of Leverett IMs reached its peak with an almost unbelievable 8 to 9 year stretch (89-96/97) during which it came in either first or second each year in the competition for the Straus Cup.
