

HoCo Hare Herald

Hello Rabbits!

The weather's been a little brisk recently, so here's what HoCo has planned to keep you feeling warm and fuzzy on the inside:

Community Dinner

Come enjoy a cozy dinner tonight with your Lev family and none of the other penguins, moose, and various other creatures that normally join us for meals!

Big Sib/Little Sib Program

Coming soon... sign-ups for the Big Sib/Little Sib Program! Mentor our Rising Rabbits on life in lovely Lev and help welcome them into our community so that they feel right at home in the fall! You can do it with your friends, blocking group, or on your own. Activities for Big and Little Sibs include a **special community dinner** and **water pong** tournament on **April 14th!**

BLACKOUT

Get ready to turn out the lights on **Saturday, April 16**. Let's repeat the most successful dining hall dance of the fall semester! Pre-frosh (i.e. future Rising Rabbits) will be around as well!

And finally... the announcement you have all be waiting for...

SPRING FORMAL!

This spring, Leverett will be putting on another swanky in-house affair on the evening of **April 28th**. Stay tuned for all of the glitzy details coming soon....

Lev Love,

HoCo
