Hey Leverett! Here's this week's news and the announcement regarding formal that you've all been waiting for...

## Community Dinner: tomorrow!

Get in the mood for Stein Club by listening to some throwbacks from the '80's and eating with all of your favorite Leverites (and potentially discussing your sweet outfit for Stein Club later)!

## 80's Stein Club: tomorrow!

**JCR, 9-11 PM**

Come to Stein Club this Thursday (tomorrow) for '80's music, pop rocks, fruit roll-ups, and of course a delicious variety of beverages. Neon, headbands, and legwarmers not required but definitely encouraged! Start the weekend off right by getting your '80's on and partying it up at Stein Club.

## And presenting...your Spring Formal: **LUXE**

**Thursday, April 28th, 10PM - 2AM**

**McKinlock Courtyard, JCR, Old Library**

Save the date! Holding back no luxury, Leverett spring formal will be the event of the semester! Featuring both a live award-winning band and DJ, as well as amazing food (rumor has it there will be cannolis from Mike's) and, of course, a special array of drinks for the under and over 21 crowd. Formal will held in luscious Leverett itself and with **tickets at only \$15**, there's no excuse not to go. Prepare for an unforgettable night of elegance and fun!
