THE LEVERETT SONG

for SATB choir

Lyrics by Brian Conley

Music by F. John Adams

Arranged by Nicholas Vines

Sing the praise of the famous Leverett mon-key-bread, which just
Le-ve-rites chat on the famous Leverett o-pen-list, which just
All of Harvard meets in the Leverett di-ning hall, which just

further goes to show that Leverett's the best of all. Chief and

Coach would be proud if our voices were loud and they could
hear these praises of Le-ve-rettsung forth, sung forth as never yet sung be-
fore. It's Le-ve-rett, it's Le-ve-rett, the best of new and old,
Le-ve-rett, Le-ve-rett, the home of the brave and bold. It's Le-ve-rett, it's Le-verett,
Harvard's noblest en-dea-vor. Nonetheless, thank God, thank God, we won't be here fo-er-ver.
