## ?! Bharat and Adam's Topics for Discussion ?!

- The administration has already taken a positive step by cutting down the core requirements. But the core categories still leave something to be desired. What core category would you add if you were in charge?
- Bharat often finds himself wishing for a delicious curry-fried dough combination. What two cultures' foods would you fuse to create the ultimate Super-food?
- If anyone, real or fictional, could be part of this rising rabbit class, who would you want it to be?

?!

## If Your Middle Name Is Cicero, It's Time To Make That Name Start Working For You

Each year at the Harvard Commencement, three graduating students speak to approximately 32,000 students, faculty, parents, alumni/ae and guests. First, a senior delivers an oration in Latin. Next, a graduating senior speaks in English on some topic concerning the experience of an undergraduate education at Harvard. Finally, a graduating student from one of the graduate or professional schools speaks about a topic related to their experience at the graduate level. To enter the competition to speak, students should complete a 2002 Commencement Parts Entry Form, available from the Commencement Office, Wadsworth House in March. They should submit both the application form and 7 copies of their typewritten speech by the application deadline of noon on Wednesday, April 3rd. In conjunction with this event, there will be an Orator's Workshop held in Ticknor Lounge on March 15th at 5 PM. For questions, please call the Commencement Office at 495-5726.
