**Lev Army**
**Interview: Lev Resident Dean**

1. How long have you been at Leverett House?
   I have been at Leverett House since September 2005 – three years as a Resident tutor, and this is my fifth year as the Resident Dean.
2. Since you have been here for such a long time, what are some most memorable (funniest) stories that you recall from your work here?
   There are too many to recall properly – but I think my favorite memories are of the different Housing Days – especially when the Leverett House Army storms the Yard in the morning.
3. You meet all students from Leverett House and so you know everyone! How is working with students on a daily basis?
   I love it! Every day, my job is a bit different and so I’m never bored. Plus, I enjoy helping everyone navigate through their time at Harvard and seeing how much they gain from their time here.
4. What are the upsides of Leverett?
   The students, monkeybread and the dining hall.
5. Any downsides?
   We need a tunnel from the Towers to Old Lev for easier access to all of the things listed in the previous question.
6. Why should freshmen hope to get to Leverett? or What would you like to tell our future bunnies?
   Welcome to the Best House at Harvard! We really want this to be your home away from home, so if there’s any way that I can help, just be in touch.
7. Any final thoughts/words?
   Thank you all for making Leverett such a wonderful place to work.

Last week’s quote: “We’re...we’re going streaking! We’re going up to the quad and to the gymnasium” is from *Old School*.

“What’s a motto?”—“Nothing, what’s a motto with you?”
