**Person of the Week**

Bonnie Lee Kimball

**How long have you been working in Leverett?**
This is my tenth year and I love every minute of it.

**What’s your favorite part of the job?**
Well, when I’m out here after it’s time to shut the doors, I come and maintain the dining room; I do get a chance to speak to some of the students. They tell me a little bit about themselves and I find it interesting to find out how different people live.

**What is your favorite hobby?**
Since I’ve recently gotten into the Internet, getting onto the computer in my free time is my favorite way to relax. I look forward to going home at night and getting onto the computer—shopping, Facebook, and chat from the comfort of my own computer chair. Haha.

**Where is your favorite place to vacation?**
Oh absolutely one of the best places in the world, to me anyway, would be Old Orchard Beach, Maine. I would live out there if I could in the summer time. It’s a place that I am getting my grandchildren used to; I have four grandchildren: Sammy is twelve, Leanna will be two-digits as she tells me on the 27th of February (which is ten), Emily is five and Jayden is two. I wish I could vacation more with them, not just in the summer.

**Lev Calendar**

2/21: President's Day
No Class!!!
2/21: Lev Vid Team House video planning session @ SCR.
10:00 – 11:00 p.m.

2/25: HoCo Stein Club @ JCR!
9:00 – 11:00 p.m.

**Riddle:** What is the probability that given a stick of length L broken into 3 random pieces, that a triangle can be formed from the resultant pieces?
**Think it’s President’s Day?**

**YOU'RE WRONG!!**

*Washington's Birthday* is a United States federal holiday celebrated on the third Monday of February in honor of George Washington, the first President of the United States. It is also commonly known as Presidents Day (sometimes spelled Presidents’ Day or President’s Day). As Washington's Birthday or Presidents Day, it is also the official name of a concurrent state holiday celebrated on the same day in a number of states.

However...According to the Julian calendar (which was in effect at the time), Washington was born on February 11, 1731; according to the Gregorian calendar, which was adopted in Britain and its colonies in 1752, he was born on February 22, 1732. He began observing his birthday on the 22nd in 1752... (at age 20 or 21?)

**President’s Day Trivia**

*Barack is our 44th president but there have only been 43 presidents. How is this so? Cleveland was elected for two non-consecutive terms and is thus counted as our 22nd and 24th president.

*Presidents Lincoln, Garfield, McKinley and Kennedy were assassinated while in office.

*Presidents Adam, Jefferson and Monroe all died on the 4th of July.

*All the Presidents are of the following seven heritages: Dutch, English, Irish, Scottish, Welsh, Swiss or German.

*The tallest President was Lincoln 6’4”
