All the News That Fits

Thank you for reading **Hare Today**. Your suggestions for content are most appreciated and carefully considered. E-mail me (*murg@fas*) with news of your event, happening, or function, and I'll try my best to feature it prominently. Kindly include "newsletter" in the subject of your e-mail to distinguish it from so much electronic detritus that threatens to bury your message. Avoid e-mail attachments if possible. Submissions can also be dropped off at my room (F-80). Timely submissions (at least one week in advance of event) are looked upon most favorably. Submission deadline is Sunday for inclusion in that week's newsletter.

Sincerely,
Stephanie Murg

Intramurals, Taking Care of Business

From Dave Stolzar, IM Guru

Leverett won the 7-on-7 Co-ed Soccer Tournament, beating Mather in a hard-fought final match. Leverett took a 1-0 lead into halftime after a goal by newcomer Laura Dichtel, on a great cross by Adam Storeygard. Mather tied it in the second half, and after two 5-minute over-times in which no one scored, the game went into a shootout. Leverett scored on its first three shots, by Sebastian Fain, Dave Stolzar, and John Wood, and goalie Damien Matthews saved three of Mather's first four shots to clinch the victory.

The first bubble gum ever marketed was called "Blibber-Blubber." Offered by the Frank Fleeer Corporation in 1906, it never caught on because it was sticky and brittle. In 1928, Fleeer introduced the much-improved "Dubble Bubble" using a formula developed by an accountant in his company.

While their specialty was singing, opera stars Nellie Melba and Luisa Tetrazzini are known for food that has been named after them: Nellie for peach melba and melba toast and Luisa for chicken tetrazzini.
