**Intramurals, Taking Care of Business**

From Jennifer Paniza, IM A League Volleyball Captain

A young team got off to a rough 0-3 start this season; however, when house IM’s called for a higher level of play, young Leverites answered. Entering the post-season tournament in 10th place, Leverett knocked out defending volleyball champion Cabot, in two quick sets and wasn’t challenged to 3 sets until the finals. The final game was played against a very experienced Kirkland. Who came out on top of a very close first set, but Leverett stepped it up to blow them away in the second set, and then come from behind in the third set to send Kirkland home stunned and disappointed. This Leverett team was very pleased with their debut performance in house IM’s and with the core of the team only being sophomores...baby, you ain’t seen nothin’ yet. Team members: Jennifer Paniza, Hallie Boger, Jane Yang, Pat Dolan, Damien Matthews, Jeff Munns, Jon Wood (all ’03), and David Michaels ’01.

**Frisbee Proud!**

From IM Frisbee Captain Caroline DeFilippo

Congratulations to the IM intramural frisbee team on a phenomenal season. Starting at 10am last Saturday, they beat Winthrop House. They advanced to the finals of the tournament where they lost by one point to Dudley House. It was a great effort by all who played especially since we were up against extremely experienced graduate students. Thanks for helping us cross each bridge as we reached it. Great season! Look for pick-up games in the Spring organized by Caroline.
