Ever wondered what Leverett House was like before it became co-ed? A look back into 1941-42

ENTERTAINMENT OF WOMEN GUESTS
(a) Students may entertain ladies in their suites between the hours of 4:00 and 7:00 p.m. Monday through Thursday; between the hours of 4:00 and 8:00 p.m. on Friday, and between the hours of 1:00 and 8:00 p.m. on Saturday, Sunday, and University Holidays. Save on the days of special university functions, the hours on Saturdays and the days before University Holidays are extended until 11:00p.m. On the nights of House dances or other events to which ladies are admitted, room permission extends only to the time at which the entertainment or dance is scheduled to begin. Residents must cooperate in the enforcement of these rules in their suites; the host is responsible for the behavior of all guests in his suite.
(b) Ladies shall not enter the House unattended; the host must see that they are properly escorted. It is the duty of the host to see that each lady visiting his suite fills out a guest card at the superintendent’s office. The time of departure should be reported there and will be filled in by the attendant.
(c) Any student wishing to hold a party for more than twelve guests at which ladies are to be present should obtain a party form from the House Office. This must be completed and then approved by the Burr Senior Tutor or the Assistant Senior Tutor.

DINING HALL RULES
Women guests may be entertained in the Dining Hall regularly at lunch and dinner on Saturdays, at noon dinner on Sundays and holidays, and on Tuesday and Friday evenings when there is no special House Dinner. Women will not be admitted to the Dining Hall after 6:30. Members who plan to entertain women guests are urged to reserve a table by applying in advance to the Hostess in the Dining Hall.
